Dobie Center Celebrates Its 38th Anniversary

Austin, Texas- (July 23, 2008) Campus Advantage announces the 38th anniversary of Dobie Center, the premier mixed-use residence hall at the University of Texas in Austin. In recent years, Dobie Center has been voted the #1 off-campus private student housing residence of choice by the UT students.

Conveniently located across from the University of Texas campus, the striking 27-story tower serves 930 students and provides a wide range of residence options including single, double and suite accommodations, along with a multi-level parking garage.

“Dobie offers UT students outstanding facilities, location, and services, said Chip Schell, Vice President of Operations. “Our residence life program is designed to ensure the success of our residents, both academically and socially. Campus Advantage is proud to be associated with Dobie Center.”

Preparing for their August 22nd move-in date, this dynamic residence hall boasts abundant amenities, including a full-service computer lab, game room, fully equipped 24-hour fitness center, and media room complete with HDTV. Additionally, this year marks the re-opening of their brand new pool, Jacuzzi and lounging area. With the convenience of the multi-level Dobie Mall, which is located directly below the residence tower, students can expect daily conveniences of a 500-seat food court with 10 diverse dining options, a modern 4 screen movie theatre, book store and numerous specialty stores.

Residents are also offered the “Students First” Residence Life programs. Through the innovative residence life program, Dobie Center promotes student development by providing the resources they need to succeed personally, academically, and socially. From social events such as their annual Casino Night, community service initiatives and academic success programs, the wide variety of resources and activities facilitate the creation of a thriving student environment.

The Dobie Center is one of the few residences in the Austin area that serves meals all day, providing a variety of food selections, meal plans options, and global cuisine. With a full-time concierge, and on-site Resident Assistants, students benefit from a high level of service and strong commitment to the residents needs.
